3. Project URL

COMP 3320 Project GitHub URL → [Noor-Alina/COMP3340-Project \(github.com\)](https://github.com/Noor-Alina/COMP3340-Project)

4. Project Management

GitHub Projects - Kanban Layout → [COMP3340 Project \(github.com\)](https://github.com/COMP3340-Project)

5. Site Hosting

GitHub Pages (tentative)

6. Website Idea

Our group intends to make an e-commerce site from scratch. This will include original branding along with a clean UI. In this e-commerce platform, we will have a variety of products which will all focus on a single theme such as sustainability.
